

A franchise opportunity for you

at a leading cosmetic studio

Oi is an accessible option for everyone and an answer to consumer demands.

Benefits:

- Tried, tested and approved methods to run your business
- Unique industry formula which ensures ongoing cashflow and repeat clients
- Services offered attracts top therapists only
- Myriad of buying benefits to being part of the group
- Initial and ongoing training, for all franchises
- State of the art result driven equipment
- Very memorable branding and marketing
- No more pedi's

As an Oi Cosmetic Studio franchisee, you will enjoy these benefits and those associated with being part of a larger group whilst still keeping a boutique feeling for your clients. You will experience exceptional support, and hands on assistance in making your clinic work for you, your family and the life you want.

Oi Cosmetic Studio is looking for go getters who want to be set apart from the rest and end each day knowing you have made a difference. We have licensing or franchising arrangements available throughout set territories in Australia and can work with you to see your dreams come to life without breaking the bank.
